Dear [redacted]

I refer to your recent letters to me concerning your daughter, [redacted] who is presently in Guyana with the People's Temple Mission.

I thought you would like to know that, even though you had informed me in your last letter that you were satisfied that [redacted] as well and happy, she had met with our Consul on September 2nd. Our Consul relayed to me that he had a very nice conversation with [redacted] and he is convinced that she is both happy and enthusiastic about her work with the People's Temple. She appeared healthy and is enjoying her stay in Guyana very much.

Your letters will be kept on file in the event that at some time in the future [redacted] wishes to return home at your expense.

I am happy that I am able to report that all is well with your daughter. Please accept my best wishes.

Sincerely,

John D. Blacken
